Terms and Conditions of Commercial Sale

In these Terms and Conditions of Commercial Sale (the "Terms and Conditions"), "Seller" shall mean: Schunk Xycarb Technology B.V., a Dutch Limited liability company, incorporated under the laws of the Netherlands. Buyer shall mean: the legal entity or natural person, whichever applies, requesting to purchase or order, purchasing or ordering goods, services, or the combination of both (hereinafter referred to as "Products") from Seller.

1. OFFER, CONFIRMATION OR AGREEMENT

These Terms and Conditions apply to and form an integral part of:

- a) all quotations and offers (hereinafter both referred to as "Offer") of Seller to Buyer,
- b) all acceptances, acknowledgements or confirmations by Seller (hereinafter all referred to as "Confirmation") of any order of Buyer, including without limitation orders of Buyer resulting from any pricing or other framework agreement between any Buyer and Seller, unless explicitly agreed otherwise in writing between Seller and Buyer,
- c) any agreement resulting from such Offer or Confirmation, and
- d) any agreement incorporating these Terms and Conditions by reference.

Both types of agreements referred to under 1(c) and 1(d) shall hereinafter be referred to as an "Agreement", regarding the sale by Seller and purchase by Buyer of goods and/or services ("Products"), unless Seller explicitly agrees in writing to the exclusion hereof.

These Terms and Conditions shall constitute all of the terms and conditions of any Offer, Confirmation and Agreement between Seller and Buyer relating to the sale by Seller and purchase by Buyer of Products. Any terms and conditions set forth on any document or documents issued by Buyer (including "Pull Documents" as defined below), either before or after issuance of any document by Seller setting forth or referring to these Terms and Conditions, that differ from, purport to modify or are additional to these Terms and Conditions are hereby explicitly rejected and disregarded by Seller, and any such document shall be wholly inapplicable to any sale made by Seller and shall not be binding in any way on Seller. Any order by Buyer (including "Pull Documents" as defined below) shall be considered an acceptance of these Terms and Conditions notwithstanding any qualifying language other than an explicit agreement with Seller in writing with reference to these Terms and Conditions. No Offer, Confirmation or Agreement constitutes an acceptance by Seller of any terms and conditions that differ from, purport to modify or are additional to these Terms and Conditions, and Seller does not intend to enter into an agreement other than under these Terms and Conditions, unless explicitly agreed otherwise in writing with reference to these Terms and Conditions.

Any Offer is expressly made conditional on Buyer's acceptance of all the terms contained in the Offer without deviation. Buyer's Acceptance of an Offer may be evidenced by: (i) Buyer's written or verbal consent or the written or verbal consent of any representative of Buyer, (ii) Buyer's acceptance of delivery

of the Products or payment of purchase price for the first installment of the Products (if applicable), or any other form of acceptance by any representative of Buyer, or (iii) other conduct by Buyer or any representative of Buyer consistent with acceptance of the Offer.

In the event that any Offer or Confirmation is sent in response to Buyer's blanket purchase order, the terms and conditions of that Offer or Confirmation, including these Terms and Conditions, shall apply to any "pull" by Buyer or delivery by Seller, irrespective of whether Buyer submits additional purchase orders (electronically or otherwise) ("Pull Documents") and whether Seller provides a Confirmation to such additional purchase orders. All terms and conditions of such Pull Documents that differ from, purport to modify or are additional to these Terms and Condition are rejected, unless explicitly agreed otherwise in writing with reference to these Terms and Conditions.

Seller's Offers are open for acceptance within the period stated by Seller in the Offer or, if no period is stated, within thirty (30) days from the date of the Offer. Any Offer may be withdrawn or revoked by Seller at any time prior to Seller's receipt of Buyer's acceptance related thereto.

If Seller receives an order from Buyer for the sale of Products and such order is not a response to an Offer by Seller, or if Seller receives an order or Confirmation by Buyer which deviates from Seller's Offer, such order or Confirmation, respectively, shall be deemed to be a request for a new Offer.

A Confirmation by Buyer of any Offer made by an order gatherer, liaison officer, agent or sales representative for Seller shall constitute an Agreement between Seller and Buyer upon explicit Confirmation by an authorized representative of Seller.

In these Terms and Conditions, the term "Affiliate(s)" shall mean any corporation or other legal entity that a party now or hereafter Controls, is Controlled by or is under common Control with. "Control" means the direct or indirect ownership of more than fifty percent (50%) of the shares or similar interests entitled to vote for the election of directors or other persons performing similar functions. An entity may be considered an Affiliate only when such Control exists. Seller and its Affiliates are individually and/or collectively referred to herein as "Schunk Xycarb Technology", or "Xycarb".

2. PRODUCTS, QUANTITIES AND PRICING

Prices in any Offer, Confirmation or Agreement are in US dollars (USD) or Euros (EUR), unless otherwise agreed between Seller, or Seller's local Representative Office and Buyer. Prices do include packaging for domestic shipment. Prices do not include any taxes, duties or similar levies, now or enacted in the future, applicable to the Products.

Prices are also exclusive of the cost involved in special packaging, transportation and insurance. Any and all additional costs involved will be paid by Buyer together with the price. With regard to series-, or batch-manufactured Custom Products (as defined in Section 1.f below) Seller may deliver a quantity that is a maximum amount of ten percent (10%), of the rounded-up or -down integer equivalent number of Custom Products ('products specifically designed on request of Buyer on the basis of the design of Buyer') more or less than the ordered quantity of any order line item. Such delivered quantity will be accepted and paid for (against an amount being the actual delivered quantity times the unit price) in full satisfaction of Seller's delivery obligation under the Agreement for the quantity ordered.

3. RIGHTS IN DOCUMENTATION AND INTELLECTUAL PROPERTY

Unless provided otherwise in a separate agreement between Seller and Buyer, the following terms apply to all Products and Product documentation provided or made available to Buyer in connection with the Agreement:

With respect to Products, documentation, and portions thereof, Buyer is not authorized to and agrees that it will not, unless with the explicit written permission of Seller: (i) reverse engineer, offer to third parties for reverse engineering, attempt to derive ideas, technology, except to the extent expressly authorized by statutory law; (ii) modify or create derivative works from the original Products or documentation; (iii) remove or alter any proprietary markings or notices. Should Buyer create any modifications or derivative works of Products, documentation or a portion thereof, Buyer hereby irrevocably assigns and agrees to assign all right, title and interest in any such modifications or derivative works to Seller.

To the extent that documentation is enclosed together with a Product, the sale of such Product shall not constitute the transfer of ownership rights or title in such documentation or its content nor the transfer of any intellectual property rights vested in the Products or documentation. All documentation provided with a Product is considered Xycarb confidential information and will be provided to Buyer under strict non-disclosure obligations of Buyer towards Xycarb as stipulated under article 12.

Buyer is solely responsible for obtaining any necessary third-party approvals and any licenses for any necessary intellectual property rights including but not limited to essential patents for their use in connection with technology that Buyer incorporates into Buyer's system. Buyer shall indemnify Seller for any third-party claims related thereto in accordance with article 10, whereby in that article Buyer shall be read as Seller and Seller shall be read as Buyer.

Neither the sale of any of the Products, nor these Terms and Conditions, shall be construed as granting any right, license or indemnification with respect to any third party intellectual property rights:

- a. under any intellectual property rights to any combination, machine, or process in which Products might be used, or to any modifications of Products or documentation;
- b. with respect to any trademark, trade or brand name, corporate name, or any other name or mark, or contraction, abbreviation or simulation thereof;
- c. under any intellectual property rights covering an industry standard set by a standard setting body or agreed to between at least two companies; or
- d. under any intellectual property rights with respect to which Xycarb has informed Buyer or has published a statement that a separate license has to be obtained or that no license is granted or implied.

4. PAYMENT

- a. Unless agreed otherwise between Seller and Buyer in writing, Seller may invoice Buyer for the price of the Products delivered upon delivery of the Products in accordance with the Incoterm FCA. Net payment is due within thirty (30) days of date of invoice unless agreed otherwise between Seller and Buyer in writing. All payments shall be made to the designated Seller's address and bank account. If deliveries are made in installments, each installment may be separately invoiced and shall be paid on the due date. Discount for early payment has to be agreed in writing by Seller. Interest will accrue on all late payments, at the rate of one and a half percent (1,5%) per Month or the maximum rate permitted by applicable law from the due date until payment in full including any accrued interest.
- b. All deliveries and performance of work shall at all times be subject to credit approval of Seller. Seller is entitled to request an irrevocable letter of credit sufficient to cover the full amount of the invoice and against Seller's invoice upon presentation of Seller's shipping documents.
- c. If, in Seller's assessment, Buyer's financial condition at any time does not justify production, performance of work or delivery on the above payment terms, Seller may require full or partial payment in

advance or other payment terms as condition for delivery, and Seller may suspend, delay or cancel any credit, delivery or any other performance.

- d. Buyer shall not be entitled to set off, withhold or reduce any payment(s). The payment of fees and charges is a covenant of Buyer that is independent of the other covenants made by the parties hereunder.
- e. If Seller incurs exchange rate losses attributable to Buyer's failure to pay when payments are due, Seller shall be entitled to compensation from Buyer for such losses.
- f. In the event of any default by Buyer in the payment of any fees or charges due, or any other default by Buyer, Seller shall have the right to suspend performance of any work and/or delivery of any Products until full payments (including any accrued interest) has been received and Seller may suspend, delay or cancel any credit, delivery or any other performance by Seller. Such right shall be in addition to, and not in lieu of, any other rights and remedies available under these Terms and Conditions under the Agreement or statutory law.

5. DELIVERY AND QUANTITIES

- a. Products shall be delivered Free Carrier (FCA) (Most Recent Incoterms) at the facility designated by Seller, unless otherwise agreed in writing between Seller and Buyer. Delivery dates communicated or acknowledged by Seller are approximate only, and Seller shall not be liable for, nor shall Seller be in breach of its obligations to Buyer, because of any delivery made within a reasonable time before or after the agreed delivery date. Seller agrees to use commercially reasonable efforts to meet the delivery dates communicated or acknowledged on the condition that Buyer provides all necessary order and delivery information in a sufficient manner prior to the agreed delivery date.
- b. In the event Buyer contests delivery, Buyer must request a proof of delivery from Seller within ninety (90) days of the date of Seller's invoice, otherwise delivery shall be deemed completed.
- c. Buyer will give Seller written notice of failure to deliver and thirty (30) days within which to cure the non-performance. If Seller does not cure the non-performance within thirty (30) days, Buyer's sole and exclusive remedy is to cancel the affected and undelivered portions of the Agreement and the repayment of any amounts made in relation to the non-conforming delivery.
- d. Title in and ownership of the Products shall transfer to Buyer upon payment in full of the purchase price in respect thereof. Risk of loss in the Products shall transfer to Buyer upon Seller's delivery in accordance with the FCA Incoterm.
- e. If Buyer fails or refuses to accept delivery of the Products, then Seller may deliver the Products in consignment at Buyer's costs and expenses.
- f. In the event of shortages Seller may allocate its available production and Products, in its sole discretion, among its customers and as a result may sell and deliver to Buyer less Products than specified in Seller's Offer, Confirmation or Agreement, as the case may be. In that event, Seller shall not be in default.

6. CUSTOM PRODUCT

Unless otherwise agreed in writing, Seller shall have exclusive rights to Products designed and manufactured by Seller for the unique needs of Buyer, made in accordance with Buyer's specifications or requirements ("Custom Product"). Seller shall retain title to and (intellectual) property of designs, or parts of Custom Product designs. Design features, elements or parts of Custom Designs are the (intellectual) property of Seller, which may be used by Seller in other designs and may not be used by Buyer except as a part of Custom Product. Prices and/or schedules for Custom Products are subject to change by

Seller if any specifications are revised or supplemented or in case there are unforeseen performance issues or other difficulties with the design.

7. RESCHEDULING AND CANCELLATION

No order, Agreement or any part thereof may be rescheduled or cancelled without Seller's prior written consent.

8. FORCE MAJEURE

Seller shall not be in default or be liable for any failure or delay in performance if:

- a. such failure or delay results from the fact that Seller's manufacturing volume of the Products concerned is lower than anticipated due to interruptions in the manufacturing process; or
- b. such failure or delay is not attributable to Seller; or
- c. such failure or delay is caused by Force Majeure as defined below or by law.

In case of such a non-attributable failure, the performance of the relevant part(s) of the Agreement will be suspended for the period such non-attributable failure continues, without Seller being responsible or liable to Buyer for any damage resulting therefrom.

The expression "Force Majeure" shall mean and include any circumstances or occurrences beyond Seller's reasonable control (whether or not foreseeable at the time of the Offer, Confirmation or Agreement) as a result of which Seller cannot be required to perform its obligations. Such circumstances or occurrences include but are not restricted to: war, civil war, terrorism, insurrections, strikes, fires, floods, earthquakes, labor disputes, epidemics, governmental regulations and/or similar acts, freight embargoes, non-availability of any permits, licenses and/or authorizations required, defaults or delays of suppliers or subcontractors and/or inability or impracticability to secure transportation, facilities, fuel, energy, labor, materials or components.

In the event that the Force Majeure extends for a period of three (3) consecutive months (or in the event that the delay is reasonably expected by Seller to extend for a period of three (3) consecutive months), Seller shall be entitled to cancel all or any part of the Agreement without any liability of Seller towards Buyer or any default of Seller.
